

PRE-OPERATIVE FOR FINAL VENEERS

1. We're going to be taking off your temps.
2. There's going to be less shots & soreness than last time.
3. It will also be a shorter visit than last time, 2hr.15min. the most.
4. How's your bite? Your bite will be better.
5. Comfort List, same as last time?
6. Did you take your medication, antibiotics?

What To Expect:

1. **Pain?** Very little pain. The only pain that you will feel is in the area where the injections took place. You will be numb the entire procedure and feel nothing.
2. **How many needles?** About 4.
3. **Time in the chair?** 2 hours.
4. **Time in the mouth?** 30-40 minutes on & off with 2-3, 5 minute breaks.
5. **Recovery time after procedure?** About 5 days. Sore in the area where the injections took place & slight sensitivity to cold foods & liquids.
6. **Swollen after procedure?** No.
7. **How soon after my procedure may I eat?** About 1 hour.
